

# My Thoughts

	<p>I can choose to do what I want to do</p>			
	<p>I can travel around the city when I want to</p>			
	<p>I can go to places I choose to go to</p>			
	<p>I can access education if I want to</p>			
	<p>I can spend my money on what I want to do</p>			
	<p>I feel safe in my community</p>			
	<p>I get good healthcare support</p>			

	<p>I can access online services</p>			
	<p>I feel ready to access adult services</p>			
	<p>I helped create my care plan</p>			
	<p>I feel that my opinion matters</p>			
	<p>I can find what I need to know</p>
